

## **Privacy Policy**

### **Overview**

International Textile Group, Inc., including its affiliates, (the “Company”) is committed to protecting the privacy of users of our Web Site and the Web Sites of our divisions (collectively, the “Web Site”). To provide you with a safe, secure experience while using our Web Site, we have developed this Privacy Policy. As explained in more detail below, the information you submit to us generally remains private, and is used only for the purposes set forth in this Policy.

### **Information Gathered By the Company**

In general, except for information obtained from users seeking employment with the Company, we gather information about all of our users collectively, and not on an individual basis, for purposes such as determining which parts of our Web Site areas users access most frequently. This information helps us determine which parts of our Web Site are most beneficial for users, and how we can continually create a better overall experience for you. We use such data in the aggregate and anonymously. We may share this information within the Company so that we may understand how the Company’s visitors use our Web Site. We are not in the business of and do not sell information to others. The use of information gathered from users seeking employment with the Company is discussed below (under “Resumes”).

### **Information About You Specifically**

In some instances, when you sign on to certain portions of our Web Site, we may need more specific information about you, such as your name, address, e-mail address, telephone number or other pertinent information. If you give us permission, we may use that information to make you aware of additional products and services, which may be of interest to you, or to contact you regarding changes in our Web Site. From time to time, we also may ask you for other information, such as information on your interests, and your likes and dislikes regarding the Web Site and other pertinent information, in an effort to enhance your experience on our Web Site.

### **General Information Disclosure**

We do not disclose information about your individual visits to our Web Site, or personal information that you provide, such as your name, address, e-mail address, telephone number, etc., to any persons or firms, except when we believe the law requires it; however, as indicated above, we may record and share aggregated information with our business partners.

## **GDPR (General Data Privacy Regulation) Compliance**

ITG seeks to comply with GDPR which provides rights for individual citizens of the EU to understand who is collecting their personal data, how it is being collected, how it is being used and where it resides. It extends and solidifies data protection and data privacy rights for all EU citizens. Further, EU citizens will have the right to request that their personal data be deleted and no longer processed. This includes physical and electronic records. ITG is prepared to collect and manage personal data responsibly and respond quickly to opt-out requests of EU citizens.

Personal information submitted to us through our website will be used for the purposes specified in this policy or on the relevant pages of the website. We may use your personal information for the following:

- Administering our website and business;
- Sending you goods purchase through our website (where applicable);
- Sending you our email newsletter, if you have requested it;
- Sending you marketing communications relating to our business where you have specifically agreed to or requested.

In accordance with GDPR guidelines any person can request to be forgotten and have ITG delete all information, request copy of information the company has related to the individual or opt-out of any future company correspondence. Users may email [gdpr@itg-global.com](mailto:gdpr@itg-global.com) to submit questions or make a request relate to GDPR or to opt-out of future contact by ITG.

## **Cookies**

To enhance your experience on our Web Site, we use a feature on your Internet browser called a “cookie”. Cookies are small files that your Web browser places on your computer’s hard drive. They are used for a variety of reasons, such as remembering user names and passwords and preferences, tracking click streams, and for load balancing. By using cookies, we can deliver faster service, consistent, updated results, and a more personalized experience on our Web Site. Your browser gives you the option to reject cookies. However, setting your browser to reject cookies generally hinders the browser’s performance and will adversely affect your experience while using our Web Site.

## **Changes to our Privacy Policy**

From time to time, we may change our Privacy Policy. If we decide to change our Privacy Policy, we will post those changes on our site so that you will always know what information we gather, how we might use that information, and whether we will disclose it to anyone.
